

RISE

Read in Summer and Excel
A Bookworm Central
Online Offering
Grades K-8

School divisions or individual schools, in an effort to prevent "summer slide", may sponsor students for this program.

Children may choose "just right" books at appropriate reading levels.

Reading and enjoying books over the summer months helps with supporting and strengthening reading abilities while children are out of school.

PROGRAM HIGHLIGHTS

- Allows schools to actively support students and prevent "summer slide".
- Provides access to carefully selected, "just-right" titles for at-risk students.
- Engages parents to participate in their child's learning efforts over the summer.
- Brings a program to schools that is easy to coordinate and offer.

TO SIGN UP FOR THIS VIRTUAL PROGRAM:

Email

outreach@bookwormcentral.com

In your email, please provide us with:

- # of students you would like to serve
- # of books you'd like to provide to each student
- If students' orders are to be shipped to school or to the children's homes
